ESSAY

Your responses to the following questions play a very important role in the admission process. Before you begin preparing your essay, please conduct a thorough self-assessment. The essay is meant to present a unique picture of yourself. The Admissions Committee is interested in learning about you, your values, and the distinctive qualities that make you an interesting applicant for our programs. Use a separate sheet of paper for your essay and please, respond fully but concisely to each question. Essays usually vary from between 500 to 1200 words in length.

- What are your career objectives? In what specific ways would studying at our Institution help you to fulfill these intentions? Explain how your study plans fit in with your training and career objectives.
- Please give an account of your personality (your strengths and the traits that you would like to improve).
- Discuss your interests outside your job and / or your extra-curricular interests / activities.
- Describe a situation where your objectives were not met and what you learnt from it.
- Please feel free to supply any additional information that you believe would be helpful to the Admissions Committee in making the final decision on your application.

REFERENCES

Please list below the names and addresses of the persons who you believe will be able to advise us on your intellectual and / or managerial abilities through their contacts with you. Please ask each referee to send us directly a reference letter. Please avoid sending references from persons who only know you from personal experience outside an academic or professional environment (i.e. family, friends.....)
